

PAMIC Career Portal Policy

PAMIC Career Portal posts employment opportunities and internships via our website. Postings are based on the information provided by the employer or person offering the internship. Due to the volume of job and internship postings received, PAMIC is unable to fully research the integrity or validity of each organization or person that posts a position or guarantee that all jobs/ internships are still available. PAMIC makes no guarantee about the positions listed and is not responsible for safety, wages, working conditions, or other aspects of employment or an internship. It is the responsibility of each individual job seeker to research the integrity of the organization(s) to which he/she is applying and to verify the specific information pertaining to the job posting. Job seekers should exercise due diligence and use common sense and caution when applying for or accepting any position. All hiring and compensation for work performed by employees is handled directly between the prospective talent and the employer. PAMIC does not perform complete background checks on students or talent applying for jobs, nor on employers posting job opportunities. Employers and talent are encouraged to request reference information from each other as needed to establish qualifications, credentials and overall fit between the employer and the applicant. For your privacy and protection when applying to a job online, it is advisable that you do not give your social security number to a prospective employer, provide credit card or bank account information, or perform any sort of monetary transaction. All job listings are posted at the discretion of PAMIC. PAMIC staff members are available for consultation on how to research prospective employers. All concerns and issues related to job and/or internship opportunities on the PAMIC Career Portal should be addressed promptly by calling (717) 309-0943 or via email to pamic@pamic.org.
